This activity passport contains a list of activities and adventures that our pupils/students can experience both inside and outside of the classroom. The passport will help to introduce our children and young people to a wide variety of opportunities which develop key life skills.

Within the list of activities, there may be things they will want to come back to again and again. For some, they will experience something they have never done before. Some activities will need support from an adult.

The wide range of activities will be recorded throughout their journey at Villa Real School and enable our school's broad curriculum to further enhance the development of each pupil/student.

The passport will be completed in partnership with home and school. Class Teachers will keep a master copy of the passport and another copy will be sent home periodically as part of home learning activities.

Immersing children and young people in activities that can build their confidence, develop their curiosity and support their growth beyond academic attainment, so they can enjoy emotional wellbeing throughout their lives is very important.
